## Annual Per Capital Disposal

### Employees

Total Number of Employees: 1191

Explain who was included in this number and how was this employee number calculated.

*The number includes all employees and contract employees working within the District. The number was calculated by using org charts, emails from supervisors and seating charts.*

### Non-Employee Population

Total number of non-employee population: 12207862

Population Type: Visitors

How was this population number determined?

*A vast majority of the visitors to this District are traveling public whom visit our rest areas. Additional visitors include contractors, vendors, guests from other Districts, Departments, Agencies and volunteers.*

### Disposal

Total amount disposed: 247.40 tons

Total transformation: 0.00

How was this disposal number determined?

*Caltrans requires that a "CEM-4401 Solid Waste Disposal and Recycling Report" be completed and forwarded to the recycling coordinator for accounting. The amount of waste taken to landfills is also noted on the report.*

### Annual Results

	<u>Employee Population</u>		<u>Non-Employee Population</u>	
	<u>Target</u>	<u>Annual</u>	<u>Target</u>	<u>Annual</u>
Per capita Disposal Rate (pounds/person/day):	140.50	1.14	0.00	0.00
Per Capita Transformation Rate:	28.10	0.00		
Calculated Disposal Rate (pounds/person/Day):	--	1.14		

This report summary displays the report information as submitted by the agency. To see the final report after any corrections made during the CalRecycle staff review please see <http://www.calrecycle.ca.gov/StateAgency/Reporting/>

Page 14 of 39

## Questions

What types of waste are still thrown away (not reused, recycled, or composted)?

*Hazardous materials that contain lead and/or mixed debris which may contain oil or other contaminants from road construction.*

What difficulties or obstacles have you had with finding ways to recycle, reuse or compost these types of wastes?

*Items that contain hazardous materials is the biggest obstacle due to the contaminants which must be disposed of properly.*

## Programs

### Recycling

Beverage containers

Glass

Plastics (#3-7)

Cardboard

Newspaper

Office paper (white)

Office paper (mixed)

Confidential shredded paper

Copier/toner cartridges

Scrap metal

Wood waste

Tires

Construction materials/debris

*Hazardous waste within our District such as fluorescent bulbs are collected by custodial staff and marked with the date they were collected and then stored in a central location. All batteries are stored in specifically marked bins and transported to a central location when filled. Both batteries and bulbs are disposed through an authorized vendor, no longer than one year from the collection date. We also used an authorized vendor to dispose of the old electronics such as computers, cell phones, telephones, TV's, cables and wires after being surveyed out.*

### Material Exchange

State surplus (accepted by DGS)

This report summary displays the report information as submitted by the agency. To see the final report after any corrections made during the CalRecycle staff review please see <http://www.calrecycle.ca.gov/StateAgency/Reporting/>

<https://secure.calrecycle.ca.gov/SARC/AnnualReport/Reports/Default.aspx?AnnualReportID=1649>

Date Generated: October 9, 2017 3:35 PM

Page 15 of 39

Employee supplies exchange

Other (explain in Agency Program Notes below)

*Most of our equipment is state owned and must go through the proper channels through DGS before being surveyed, transferred and/or recycled. However, when employees no longer have use for items such as binders, office supplies or printer cartridges, we send emails or place them in a designated area for others to use.*

## Waste Prevention/Re-use

Paper forms reduction - online forms

Bulletin boards

Remanufactured toner cartridges

Retreaded/Recapped tires

Washable/Reusable cups, service ware, towels

Reusable boxes

Reusable pallets

Electronic document storage

Intranet

Reuse of office furniture, equipment & supplies

Reuse of packing materials

Double-sided copies

Email vs. paper memos

Food Donation

Rags made from waste cloth or reusable rags

Used vehicle parts

Used Tires

*We continue our programs including passing along memos and bulletins through email as often as possible. Our automatic paper and soap dispensers allow us to reduce the consumption of these items. Our mechanic shop takes used tires and gets them retreaded for specific vehicles. They also have a service which cleans dirty soap towels for re-use. On older vehicles we use used parts when new ones are not available. We also have annual food drives for the less fortunate. We have bulletin boards at all facilities to centralize information for employees.*

## Green Procurement

Recycled Content Product (RCP) procurement policy

*Whenever possible, we strive to purchase recycled materials and items. One of the biggest attributes are paper products, also re-using products and surplus materials to avoid any unnecessary procurement.*

## Training and Education

This report summary displays the report information as submitted by the agency. To see the final report after any corrections made during the CalRecycle staff review please see <http://www.calrecycle.ca.gov/StateAgency/Reporting/>

Signage (signs, posters, including labels for recycling bins. Existing or planned for 2017.)\*

Web page (intranet or internet)

Brochures, flyers, newsletters, publications, newspaper articles/ads

Office recycling guide, fact sheets

Seminars, workshops, special speakers

Waste audits, waste evaluations/surveys

Special recycling/reuse events

*We continue to inspire employees with various posters, signs, and fact sheets. We also have recycle bins in various area for our District which employees are encouraged to use. We continue to have an annual litter pickup day where employees are encouraged to assist in cleaning up California. We also have an annual clean up day where employees have the opportunity to discard and recycle unused items in the work areas.*
